Summer Day Camp Schedule (Ages 5-10)

The Recreation Department has been busy planning an exciting line-up for this year's summer camp program! Each camp combines an educational theme with daily sports activities, which is sure to keep children both entertained and active. There are seven weeks of camp this summer that run Monday to Friday from 9am-4pm, and the fee for each week of camp is \$60/child. A detailed description of camp events, lessons and field trips will be given to parents at the beginning of each week.

July 3rd-6th: Creative Critters!

In this camp, you can flex your creative muscle as we dabble in painting, drawing, drama, dance, puppetry, music, photography and more. At the end of the week, your talents will be displayed on center stage in a gigantic art and performance show!

July 9th-13th: Mad Scientist!

3-2-1-Blast off! This is the camp that will combine science, art and geography to explore the fascinating world all around us. If you want to launch a rocket, paper mache the planets, race a car, erupt a volcano, build a pyramid, draw the weather and dig for dinosaurs, this camp is definitely for you!

July 16th-20th: Into the Wild!

If you've ever dreamed about sitting around a roaring campfire, telling ghost stories, listening to the wolves howl and sleeping under the stars, this camp will let you do just that! Just kidding! But you will learn all of the survival skills that are necessary to become a real life wilderness expert, including: compass work, fire-making, boating, animal tracking and identification, archery and shelter construction. And of course, end off the week with a round of the best game ever invented – Survival! Ahh-wooooooooooooo!

July 23rd-27th: 'Round the World in 5 Days!

Hola! Bonjour! Namaste! Guten Tag! Nín hảo! Al salam Alikum! It's a great big world out there and this camp is sure to give you a taste of the cultures, climates, cuisine, art and animals that inhabit it, both across the ocean and in your very own neighbourhood. Come travel with us across North America, South America, Europe, Africa, Asia, Australia and Antarctica, as you gather ideas to create your very own country!

July 30th-August 3rd: Pirates vs. Aliens!

Watch your favourite tales come to life in this camp, as we immerse ourselves in the world of fantasy and fiction! Dare to enter the enchanted forests where knights and dragons battle, vampires and werewolves own the night, and pirates rule the open seas. Build a UFO, search for pots of gold, write your own comic book, dig for buried treasure, and most importantly – learn that your imagination really is the limit!

August 6th-10th: Food Fight!

A quarter pounder with fries and a soda – not in this week! But if you like going on field trips, this is the camp for you as we spend the week touring the valley and learning all about what comes on our dinner plates! Come grow some veggies, plant a fruit tree, make dinner for your family and yes, have a food fight without getting in trouble!

August 13th-17th: Earth, Air, Fire, Water!

Stalk like a fox, hide like a field mouse and dance like a ruffed grouse as we learn all about our environment! Issues of environmental awareness, stewardship and sustainability will be taught as you sing with the birds, build solar powered toys, live a day in the life of a squirrel, watch in amazement as the whole camp becomes a tree, and discover how our everyday actions influence the intricate web of life!

Basketball Camp

All boys ages 12-15, are invited to attend a free basketball camp for developing skills for competitive play.

The camp will run every Monday and Thursday from 9:30am-11:00am, from July 5th - August 16th, at the Rotary Park Basketball Courts.

For more info, call Paul Shaffner at 825-6697.

Ballet Camp

This intensive camp is open to ages 6-10 or 5-year-olds with previous dance training. It will incorporate techniques, conditioning, stretching and dance history. The camp runs August 13th - 17th from 9am - noon at the Middleton Baptist Church, Family Life Center.

The cost is \$50/child.

For more info, call 825-6611

Bicycle to Work Week

Commuters are encouraged to leave their cars at home – at least one day during the week – and bike to work. To qualify to win a prize, participants must contact their local recreation dept. Your name will be entered each time you ride to work.

Share the Road Bicycle Week Challenge

Challenge yourself or friends during Bicycle Annapolis County Week! All you have to do is record the number of km's you cycle each time you use your bike to go to work, school or out for a leisurely ride. Send your info to us by Wednesday, June 20th for a chance to win a prize. Draw prizes for individuals as well as the most household total hours for the week.

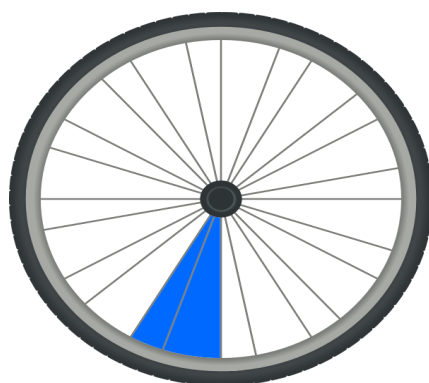

KID'S PICTURE CONTEST

We want to find out just how artistic our little cycling buddies are! Kids ages 5 to 12 years are asked to draw, colour or sketch a picture of their best bicycle experience – having fun or learning something new – on a 8.5" x 11" piece of paper. Include your name, age and address, and turn it in at your school office or mail to: Annapolis County Recreation Services, 752 St George Street, P.O. Box 100, Annapolis Royal, NS B0S 1A0. Entries must be received no later than June 20, 2012. A random draw will take place and the winner will receive a prize!

Bicycle Loans:

The Town of Middleton has mountain bikes to loan to community members, free of charge, if you would like to try cycling – be it for recreational or transportation purposes. To borrow a bike (and helmet if necessary) contact or drop by the Middleton Tourist Bureau. For more info, call 825-6611.

**Young's Cove Coastal Access Park
Opens Sunday, June 24th at 2:00pm
6169 Shore Road, Young's Cove**

This small park, formerly the Young's Cove haul-up, was acquired by the County of Annapolis from the federal government. The park was built in the fall of 2011 and will provide access to the Bay of Fundy.

**Delaps Cove Wilderness Trail
Opens Wednesday, June 27th at 6:30pm
2077 Shore Road West, Delaps Cove**

The Meier family has made a significant donation of land along the Bay of Fundy, complimenting the existing Delaps Cove Wilderness Trail system. Join us as we welcome the Meier family to unveil a monument and a small section of new trail in, which is a short distance from Bohaker waterfall on the west side of the Bohaker Cove.
